

P5/6 TERM 2 NEWSLETTER

SUBJECTS

LITERACY:

We are continuing with our class novel Charlie and the Chocolate Factory. When we have finished the book, we will watch the film and compare it to the book.

NUMERACY:

We have just begun looking at place value and will continue with 3D shape. Please practise the 2, 4 and 5 times tables with your child.

SCIENCE

THE SOLAR SYSTEM

Well done to those who handed in their solar system model. These were terrific. We will continue to look at space travel and Christmas this term.

MUSIC AND SHOW TIME!

We have begun learning to play the recorder and will continue this throughout the term. We will also begin our rehearsals for the school show. If your child has a speaking part, could you please help them practise their words at home?

HOMEWORK

Homework is posted on the school blog on a Monday and should be returned on a Thursday.

REMINDERS

PE is on a Monday and Thursday. Please bring appropriate clothing and footwear.

The whole school will be going to the pantomime on Tuesday 3rd December.
