

P7 NEWSLETTER - TERM 2

NOTE FROM MRS HARPER

I have had a super first term with the class - what a fantastic year it is going to be! We ran a successful Autumn Fun Day raising an incredible amount of over £900!

Term 2 is shaping up to be another busy one with the Christmas Fayre to organise and our show, "A Hint of Snow White" to be performed. We have cast the show and rehearsals will be starting this week. The show will involve all children having a chance to showcase their talents, whether that is onstage with a singing or acting role or backstage, with scenery, props, sound technicians and light technician roles. Look out for ticket information coming soon!

TRANSITION

In early October, we had a visit from Miss McBride who is the PT of Transition at Grange Academy. She talked to the class about their expectations and any worries they may have about moving on. We are going to Grange Academy on 10th December for a Maths Morning as the first transition visit.

HOMEWORK

Most of the class are returning homework regularly which is getting them into good habits for next year.

Homework will continue to be given out on a Monday and should be returned by the end of the week.

LITERACY -

We are continuing to read "Wonder" and have learned how to write a persuasive text. The children wrote about their favourite things to persuade me to understand their viewpoint.

ENDANGERED ANIMALS

Endangered Animals was selected as our first topic - looking at animals of the world, their habitats, and the factors which are causing them to become endangered.

INFORMATION

- PE will be on a Tuesday and Friday - PE Kit should be brought in and no jewellery should be worn. This may change due to show rehearsals but I will put this on the homework sheet if so.
- The children are welcome to bring in water to drink throughout the day.
