

RAISING ATTAINMENT

NEWSLETTER

Term 2 is the start of the new block of Raising Attainment classes planned here at HPS. Miss Thomson has been busy preparing the RA classroom with reading resources in preparation for the weekly sessions. She is looking forward to working closely with the groups across Primary 4 to Primary 6 to support them with all areas of their developing reading skills.

Like to read at home?
Like to watch animation or short videos?

www.iteracyshed.com is a free online resource that supports reading, spelling and writing.

Why not watch a short animation together then discuss and answer the questions on plot, settings and characters. Let me know what you enjoyed the most!
