TERM 2

I hope you all had an amazing October break and that the children are ready for busy Term 2.

TOPIC: Space

We will begin to explore the galaxy in our new space topic.

LITERACY

We will continue to learn new phonemes (sounds) and common words every week. It is really important to revise these at home regularly.

NUMERACY

The class will be working on Number Processes, Money and Shape during this term.

NATIVITY

We have also started rehearsals for our Christmas Nativity. We will be learning songs throughout this term and some children will have lines to learn so be on the look out for these soon.

PE

Our gym days will be a Tuesday and a Friday.

The P.E kit is shorts and shoes and parents/carers must ensure earrings are removed on PE days otherwise the pupil cannot participate.

Reminders

- Children only require a small snack at playtime. There is only 15 minutes to eat and play so they don't need lots.
- Please label all personal items as the little ones often leave their things lying around. Popping their name on things makes it easy for us to return it to the collect little one.
