

YOUR MAJESTY!

(Spoken over the introduction of the song)

Courtier 1 *Ladies and gentlemen, please welcome your most esteemed host. Be upstanding for Her Majesty, The Queen!*

- 1 Who can compare, Your Majesty?
Beauty and flair, we all agree,
Who on this earth has ever seen such a delight?
Honoured to serve Your Majesty,
You are our first priority,
Why would we ever want to be out of your sight?

CHORUS *Beautiful! Powerful!
Terrible! Incomparable!
Look at you, what a view,
Never a queen so grand!
Beautiful! Powerful!
Terrible! Incomparable!
Look at you, what a view,
Finest in all the land!*

- 2 Tell us your dreams, Your Majesty,
We'll make your schemes reality,
What can we do to please the Queen? Don't be polite!
Nothing's too big, Your Majesty,
We're here to give our loyalty,
Your every wish, your every need, served up tonight!

CHORUS *(with optional harmony until end)*

Who can compare, Your Majesty?
Honoured to serve Your Majesty!
