

YOU FOUND ME!

HRH (with group, to Snow White)

- 1 Feels like I've been waiting years to see your face, but
All of me knows it was worth every moment, it's true.

Snow White (with group, to everyone)

Let's begin 'forever', we can dream together,
Who could imagine the life we could have, me and you?

CHORUS (All)

*'Cause you found me!
Everything fell into place,
Everything started to change,
I know I'll never be the same.
'Cause you found me!
Now I can finally see,
Now I can start to believe
My life will never be the same!*

HARMONY PART (last chorus only)

*And then my life
Fell into place,
And then my life started to change,
I know I'll never be the same.
Now that I'm found
I finally see,
Now that I'm found I start to believe
My life will never be the same!*

The Dream Team

- 2 It's been such an honour, so much we've discovered,
Who could've dreamed we'd be half of the team we've become?

Snow White (and everyone)

Now you stand before me, we've shared quite a story,
Fairy-tale endings, a life of adventure to come!

CHORUS

All

- 3 Such unlikely friendships when you'd least expect it,
Forging the paths of a bond that will last over years.
Now we have each other, love will make us stronger,
Stories aligned over time and we find ourselves here.

CHORUS (with harmony part)

'Cause you found me!
