

MIRROR, MIRROR

Malodorous

- 1 Mirror, mirror on the wall,
Who's the finest of them all?
Remind me! Delight me!
Mirror, mirror on the wall,
Tell me how I'm beautiful,
Indulge me! Surprise me!

Mirror

CHORUS *Shining like the rising sun,
Never did we see someone
More beautiful
Or magical.*

Mirror

- 2 Once again, Your Majesty,
You are unsurprisingly
The finest, Your Highness.
Elegance and royalty,
Radiance for all to see,
The brightest, divinest!

CHORUS (Mirror with group)

Malodorous

- 3 There will surely never be
Anyone to rival me,
The finest, sublimest!

Mirror

The finest, Your Highness!
