SOLO TALK

We will be carrying out small solo talks in March. Our next topic will be transport. Pick a mode of transport and prepare a short 1 minute talk about it. You can use pictures etc. as part of your talk.

PHONEME OF THE WEEK

WEDDINGS

As part of our RME topic we will be looking at how different cultures celebrate weddings. If anyone has a wedding picture they can send in (of any family member), we would love to have them to talk about and use as part of our display.
