Fractions

This week we are looking at equivalent fractions. The worksheet will reinforce what we are learning in class and I made sure it has diagrams to help.

Multiplication

Take time to practise your times tables using TRANSUM, Hit the Button or Omaths.

You should know what times table you are working on.

General Knowledge

Write the answers to these in your jotter - you might need to use the internet to find the answers. These are true or false questions!

1. There is more water than land on Earth.
2. A botanist study horses.
3. The heart is a muscle.
4. The Earth is the only planet in our solar system with water.
5. The Sun is a star.

THINGS TO REMEMBER -

- Gym days are going to be **Tuesday** and **Fridays** for the next four weeks - remember gym clothes and no jewellery. Apologies for the change again but we have rugby coaches coming in on Tuesdays to work with the class.
- Holiday weekend this week - no school next Monday 10th or Tuesday 11th (Inservice Day). See you all on Wednesday.
