

# **P4 needs your help!**

**As part of our new topic on The Postal Services, we are carrying out an experiment to find out how long it takes mail to arrive from other parts of the country or even the world. If you know of anyone who lives in another country or another part of the UK who would be willing to send P4 a letter we would be very grateful. If you could please contact Mrs MacInnes by email with the name and email address of your contact we can provide them with further information on how they can help.**

**Thank you in advance.**

**Mrs MacInnes and P4.**
