

# Primary 3

P3 have had a great term 3 with the highlight being our class trip to the Sea Life Centre, everyone had a fantastic day. This term we will have our class assembly on Friday 23<sup>rd</sup> May and parents will be invited to attend. Our class will share our learning for our class topic 'Under the Sea'. More information will be on the school app soon.

## Maths & Numeracy

In Numeracy we have been learning the 10, 5 and 3x tables. Our focus in Maths will move away from angles and symmetry. In term 4 we will learn about information handling and mathematics in the real world.

## Topic

Our topic this term is "Under the Sea". We will learn about all kinds of sea life and how to help them.

## Literacy

In Literacy we learn new phonemes and spelling words weekly. Our writing focus will move away from poetry and onto information report writing.

## Events

Caprington was the term 3 house treat winner and will enjoy a trip to Calderglen Park next week.

Sports Day will be on Friday 6<sup>th</sup> of June, weather dependent, with the 13<sup>th</sup> of June being the back up date.

## P.E

This term our focus is athletics. We will learn the skills required to complete all of our Sports Day events.

P.E days are **Monday** and **Friday**.

Pupils are to wear their school uniform to school and to change into their kits in school.

A P.E kit should consist of a change of shoes and shorts/joggers.

P.E kits can be kept in school if you wish.

No jewellery to be worn and please can names be on all clothing.
