

P5/6 TERM 4 NEWSLETTER

SUBJECTS

LITERACY:

This term, we will be brushing up on our note taking skills and will look at adding speech into our writing to make it more interesting.

NUMERACY:

This term we will be finishing off our fractions, decimals and percentages block then will be focussing on money, equations and measurement.

HOMEWORK

Homework is posted on the school blog on a Monday and should be returned on a Thursday.

TOPIC

In our final term we will be finishing off our Ancient Greeks topic and will be learning about the Rainforests, the people, plants and animals that live in them and the effects of deforestation.

OUTDOOR LEARNING

Later in the term, as the weather gets warmer, we will be completing an Outdoor Learning block. We had planned to start this last term, however, we never managed to fit it into our busy schedule!

INFO AND REMIDERS

This term we will be having our class assembly. More info to follow soon. Huge congratulations to the pupils that took part in the local K'NEX challenge. They only went and won!

Also very well done to the Euroquiz team. You all worked extremely hard and did yourselves and our school proud at the East Ayrshire competition.
