Term 3 - 2025-26

GROWTH - KINDNESS - PRIDE

Mrs Granger & Mrs Kerr

January 2026

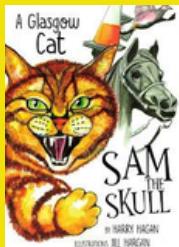

Welcome back to Primary 5!

Happy new year! We hope you had a relaxing time with loved ones over the festive period.

We wanted to take this opportunity to highlight how proud we are of the pupils who have taught a lesson to the class after saving up and exchanging class Dojos. The lessons have been informative, well-prepared, and a wonderful demonstration of growing confidence, leadership and pride in their learning. Well done, Primary 5!

Class Dojo

We are sure you have 'Sam the skull' playing on repeat in your head just like we do! Lyrics were sent home after the holidays to practise the song for our Scottish Assembly.

Metaskills

Primary 5 have been developing the metaskills of curiosity, creativity and collaboration as they explored their learning together, asked thoughtful questions and worked effectively with their peers. Next, we will be meeting Adapting Aleksander, where pupils will focus on flexibility and resilience as they learn how to adapt their thinking when faced with new challenges.

P.E Information

Primary 5 continue to have P.E on Mondays, Tuesdays and Thursdays. We kindly ask that all pupils bring in a change of bottoms and shoes at the very least, but additionally may wish to also change their top. If possible, a refillable water bottle would also be beneficial. We will be covering badminton and dance this term.

Our class novel this term is 'Romans on the Rampage' by Jeremy Strong. It links perfectly to our Ancient Rome topic and we have enjoyed learning lots of Latin words!

Enjoying the library.

Homework continues to be available online (SumDog and Giglets), allowing pupils to complete activities at their own pace.

Important Dates

Friday 23rd January - Scottish Assembly
(Primary 7 parents only)

Friday 6th March - Class Assembly

Our IDL topic this term is 'Ancient Rome'. We researched and found that 'The Burrell Collection' museum in Glasgow houses some Ancient Roman artifacts and have chosen this as our class excursion. We will visit on the 4th February (more information to follow). We can't wait to explore!
