Final Term of Primary 5!

I hope you all enjoyed the Easter break and are ready for a fun filled final term of Primary 5!

We wanted to take this opportunity to highlight how proud we are of the pupils for their effort and performance for our Class Assembly. Everyone worked so hard and learned their part perfectly. Well done everyone!

Class

Assembly

P.E Information

Primary 5 continue to have P.E on Mondays, Tuesdays and Thursdays. We kindly ask that all pupils bring in a change of bottoms and shoes at the very least. If possible, a refillable water bottle would also be beneficial. We will be covering hockey, Athletics and Sports Day events.

Our class novel this term is 'Sky Hawk' by Gill Lewis. It links perfectly to our Birds and their Habitats topic.

Enjoying the kindness carnival

Thank you to all of the Parents and Carers who attended the share the learning event before our assembly. We really enjoyed showing you everything we have learned about Ancient Rome!

Homework continues to be available online (SumDog and Giglets), allowing pupils to complete activities at their own pace.

Metaskills

Primary 5 have been developing the meta skills of critical thinking, sense making and communicating. Next, we will be focusing on feelings and integrity. All of these skills pupils will focus on flexibility and resilience as they learn how to adapt their thinking when faced with new challenges.

Important Dates

- Wednesday 6th May - Whole school outdoor learning day - please wear appropriate clothing
- Wednesday 13th May - Parents Evening
- Friday 5th June - Sports Day

Our IDL topic this term is 'Birds and Their Habitats'. We are looking forward to learning about bird of prey, flightless birds, sea birds and song birds. We have begun our learning with the Bald Eagle which is both a bird of prey and a sea bird.
