

P7 NEWSLETTER - TERM 4

NOTE FROM MRS HARPER

As we move into the final term of Primary 7 and of Primary school, things get very busy for Primary 7.

We have transition events coming up at Grange Academy - HWB day, Science Day and the House Days in June where the pupils have the opportunity to meet their class and follow their timetable for a day. I have not yet been informed about classes for next year so I am unable at this point to confirm which date your child will be attending.

We have planned our Leavers' Trip - they voted for Flip Out in Glasgow, and have started to discuss our Leavers' Disco and Assembly. The pupils are delighted to have their hoodies, and our next big task will be to put the Year Book together.

We are also planning a Summer Fun Day on May 28th - we are hoping for good weather that day! More information to follow.

LITERACY

We will be continuing to write regularly and are coming to the end of "The Boy in the Striped Pyjamas".

I am expecting that the English department of Grange Academy will pay us a visit for a short writing lesson.

NUMERACY

This term we are going to be looking at Financial Education which will link together with the Summer Fun Day and our Enterprise topic.

In Mathematics, Mrs Hislop will be teaching measurement.

SCOTTISH PARLIAMENT AND WORLD WAR 2

We have explored the Home Front of World War 2, looking at rationing, evacuation, the Blitz, and Air Raids.

Next - we are going to explore some of the major battles of the war.

DIARY DATES

8th May - Heartstart Training

20th May - Science Day at Grange Academy

1st, 2nd, 3rd, 4th June - Transition Day

22nd June - P7 Leavers' Trip

24th June - P7 Leavers' Assembly

Disco - TBC

GENERAL INFORMATION

- Our PE days will continue to be on Tuesday and Friday and gym shoes will also be required on a Wednesday for a short session in the dinner hall.
- The classroom is getting very hot as summer approaches, so it would be good idea to ensure they have water to drink.
