

CLASS NEWSLETTER:

P3

Term 4, 2026

THIS TERM:

Our IDL topic this term is Farm to Fork where we will be looking at where our food comes from. In Maths and Numeracy, we will be focussing on Data Handling and Money. In PE, we will take part in activities around Striking and Fielding and Athletics.

P.E

Our P.E days remain as Tuesdays, Wednesdays and Fridays. **Please ensure your child has a kit of shorts, t-shirt and suitable shoes that they can leave on their peg in school. Please consider earrings on these days as they should not be worn for P.E.**

HOMEWORK

Please check your child's bag for reading books. All reading should be completed within the time frame given and reading books should be kept in school bags to allow reading to be practised at school. Additional activities will be uploaded onto Sumdog and Giglets.
