

Primary 4

Term 1 Newsletter

Welcome

Welcome back to Hillhead Primary School. We have a busy term lined up with lots of new learning taking place.

Note:

Gym days are on Mondays and Fridays, can you ensure all pupils have a change of clothing and all jewellery including earrings are removed.

Topic

Our topic for term 1 will be the Titanic.

We will be reading the novel "Kasper Prince of Cats" and will be completing a range of lessons to explore the story of the Titanic in further detail.

Literacy

We will be revising previous sounds that have been taught and introducing new sounds as we progress.

We will also be working on our writing skills making sure we include proper grammar and descriptions.

Numeracy

With numeracy, we are starting our first topic of place value and looking to partition three and four digit numbers.

We will also be exploring some addition and subtraction through the use of numbertalks.

Follow our progress in our class blog
