

P3 HOMEWORK

October 2026

LITERACY

Every child should now have a reading book in their schoolbag. Please read the allocated pages at home (read more if you like) and bring this to school every day to allow reading to be heard in class. For additional reading, please complete your reading book and tasks on **Giglets**. Passwords for this are also in schoolbags. Some groups may have additional word activities - these will be in your child's school bag with instructions.

NUMERACY

Please choose maths on **Sundog** and complete the activities. Passwords are now in school bags for this.

Class Blog

Our class blog is now live with pictures and information of things we have been completing in class.
