

# Edible Chocolate Slime

I need...

tin of sweet and  
condensed milk

1 and a half  
tablespoon

cornflour

100g

chocolate

1

melt chocolate in a bowl over a  
pot of boiling water

2

mix in sweetened condensed milk  
when the chocolate is melted

3

add the cornflour and stir over  
the heat until mixture thickens

4

leave in the fridge for a couple of  
hours (if possible!) and then  
play/eat!
