

Fun Friday Challenge 29/01/2021

Louise C and Natalie have set this week's fun Friday challenge and would like you all to be **Wizards!**

First, you need a wizard name...

What is your Wizard name?

Take the first letter of your name:

April - Starfish

October - Octopus

May - Rainbow

November - Stardust

June - Sunshine

December - Moon

After you have your wizard name...

...we need to make some magic potions!!

Using ingredients that you can find around your home, garden or on a daily walk, make your very own **magic potion!**

Why don't you make yours in a basin or a sink?

Things that work well include:

flour, oil, water, mud, stones, leaves, oats, dried pasta

Be as imaginative as you like!

Let's see what you can create!

We would like to know...

- What is your wizard name? What does being a wizard feel like?
- What is the name of your potion? What does it do?
- What does it feel like? Or smell like?

Please send any photographs to natalie.dinning@eastayrshire.org.uk

We look forward to seeing all your photographs, videos and comments!
