

James Hamilton Primary School is a
Dyslexia Friendly School. We celebrate our
unique strengths and support each other as
we learn and succeed.

What is Dyslexia?

When I read,
words get jumbled
on the page

I find it hard
to organise my
things

I get muddled
with instructions

I get mixed up
with my left
and right

I find it hard to
write down my
ideas

I find it hard to
remember facts
and numbers

I forget
things easily

It is hard for me to
concentrate

I can't always find
the right words
when I talk

I find it hard to
sequence/order objects
and/or events

I find it tricky
to copy things
from the board

I write some
letters and
numbers back
to front

I get worried
about having to
read or write

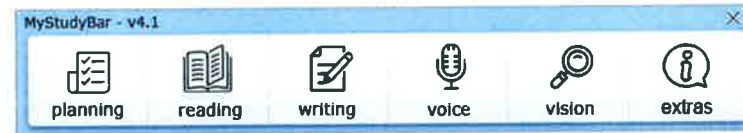

Help and Where to Find it

- Teachers are trained in DFS strategies
- Helping Hands box
- 1,2 Dyslexia Crew
- ICT resources- My Study bar, IVONA, Microsoft Office Online (Immersive Reader)
- Web Addresses (Dyslexia Scotland and Call Scotland)
- Notice Board
- School Website
