Ukraine Appeal

We are delighted to announce that in partnership with the McCulloch Group and S+C Engineering, we will be collecting for Ukraine on Friday 18th March.

Our donations will be collected by the McCulloch Group and S+C Engineering, and transported to a distribution centre in Poland next week. These will then be taken across the border into Ukraine to support the millions of families struggling due to the war.

Donations required:

- Non-perishable Food
- Nappies
- Toys
- Toiletries
- First Aid Supplies

Donations can be brought to school any day this week.

Thank you for your support.
