

Parent Council Improvement Plan

2023/2024

Vision Statement

To work alongside the young people, staff and wider school community to develop and engage in activities to enhance everyone's education and lifetime school experiences. We are the bridge uniting parents/carers and James Hamilton PS and SnCn to create a voice that represents our whole learning community.

Values

1. Inclusive

We welcome all families' views and ideas, valuing the input of our whole school community to deliver the Parent Council vision.

2. Respect

We welcome and respect everyone's opinions and provide a safe, open environment for voices to be heard and actioned.
#YouSaidWeDid!

3. Positive

We are driven to work as a team to address and overcome challenges constructively, reflecting the positive, solution focused mind-set already in place within the school.

4. United

We work together with our pupils, families, staff and local partners to foster a strong sense of pride in our school to create a happy and vibrant community.

Objectives

- To provide a safe, meaningful space for parents/carers to express their views, opinions and feelings to be shared with the school.
- To treat our whole school community with respect and ensure all voices are heard.
- To create a friendly, positive and proactive environment.
- To be focused, determined and driven to achieve our vision sharing a smile along the way.
