

Child Protection Coordinator

FOR ALL STAFF, PARENTS & CARERS in our School Community

If you have concerns about a child or young person's welfare or direct evidence or suspicion of a child being at risk then the only way you can protect the child or young person is to report the matter. Whether you are a permanent member of staff, a supply teacher, a visiting specialist, visitor, parent, carer or member of our community you should intimate your concerns to the Head of Establishment or, in their absence, the most senior member of staff.

Parents/Carers and members of the community can also contact Social Work Children and Families directly on **01563 554200**

If you have any concerns please report them to our
Child Protection & PREVENT coordinators:
