

Questions for S4 January Mock Interview

There are only so many different questions an interviewer will ask. Normally, a candidate will not know the questions in advance but to give you the best chance of preparing yourself for your interview, here they are.

Job: Catering Assistant, Kilmarnock Academy

Q1 This will be a question from your application form – hobbies and interests section.

Make sure you know your application form inside out. This question is designed to be an easy starter.

Q2 What are your personal strengths?

What kind of person are you? There are many answers but be prepared to back up your answer with an example of when you showed that personal strength? If you have a part time job or did work experience, you may find examples there.

Q3 What experience do you have in preparing food?

Everyone will have different experiences but everyone did H.E. in S1/2 and everyone eats! Surely by S4, you have made yourself a snack if nothing else!

Q4 Tell me about a time when you worked well in a team.

Again, there are loads of examples. You need to describe why it worked out well and your part in the success.

Q5 How could the Metro attract more customers?

Get your thinking caps on. How creative can you be? Ask parents, relatives for their ideas. Search the internet. This is where you get your chance to shine!! Don't forget there are reasons why prawn cocktail is not on the menu.

Q6 What are your plans for your future career?

You should be thinking about what you are going to do after life in Kilmarnock Academy

Finally, have a few questions to ask the interviewer. The questions should not be anything which is on the job advert or something that has been discussed during the interview.

Good luck!
