

Junior Studio Designer

Main purpose of job

Work within a design studio with the company's existing design team.

Main duties

The successful candidate will work with a team of graphic and website designers. They will contribute creative design ideas to current projects. They will help in the research of clients competitors and what design elements they use to promote themselves. They will contribute to reviewing clients existing social media platforms and input on how these can be improved going forward.

Ideally the candidate will be have an arts background and be able to demonstrate portfolio work they have undertaken as part of their course.

Whilst not essential any knowledge of graphic or artworking software such as photoshop would be desirable.

The successful candidate will be able to demonstrate a desire to work within a creative environment.

The job location is the Head Office of Vizibility Design.

The candidate report directly to the Head of Design. This is a full time role, Monday to Friday, 9 to 5.

An attractive package will be offered and the exact salary level will be dependent on experience.

Further details of the company can be found at-
