

PRIMARY 1 CHOICE GRID

DUE FRIDAY 13th May 2022

<u>NUMERACY</u> Try the Money and measure Sumdog Challenge	<u>READING</u> Log in to Bug Club and practice your blending and fluency	<u>ART</u> Create a poster to help teach others how to save energy at home
<u>I.C.T</u> Can you use a search engine to find out 3 facts about your favourite animal? Which key words will you need to put in? Tell the class your facts.	<u>IDL</u> Can you design and label an invention that will help animals and nature?	<u>Health & Wellbeing</u> Create a family tree with your family. Talk to family members and learn something that you didn't know before. Likes/dislikes, favourite things....
<u>HWB</u> Using a timer, for a minute, how many throws and catches of a ball can you do to partner without dropping it?	<u>Magic Cup Game</u> Place three identical, plastic cups in a line on the table, rim down. Place a pom pom or small rubber ball under one cup, allowing your child to see which cup the pom pom/ball is under. Shuffle the cups around by sliding them across the table, switching their positions quickly back and forth and all around. Once you have stopped moving the cups ask your child to identify which cup the ball is now under.	

LINKING OUR LEARNING

Try the Numeracy and Reading activities, and you choose 2 others that you would like!

Activities should take around 15 minutes, and no longer than an hour over the whole week.
