

PRIMARY WEEK 2 CHOICE GRID

NUMERACY

Practise your mental math and recognition of number words skills with these games:

<https://www.topmarks.co.uk/maths-games/hit-the-button>
https://www.sheppardsoftware.com/math/early_math/number-words-fruit-splat-game/

READING

Log in to Bug Club and complete a book and 2 games

ART

Design an invitation to a Jubilee party. It needs to have the date, time location and dress code.

IDL

Draw a simple map of your route to school and how you travel to school.

School Photography Competition:

Take some photographs of the school and the local area which we will use to create a montage background for the school GLOW page. They should not feature people but landmarks, shops, areas of the school etc. Entries can be emailed to barbara.fyvie@eastayrshire.org.uk

LINKING OUR LEARNING

Try the Numeracy and Reading activities, and you choose 2 others that you would like!

Activities should take around 15 minutes, and no longer than an hour over the whole week.
