

Lainshaw Primary School and ECC

Transition to Primary 1 Information.

Welcome to Lainshaw Primary School! We look forward to supporting your child in their transition to Primary 1. We can't wait to meet them! This leaflet provides key information and dates for the coming transition period. Please see the reverse. We hope the transition events planned allow for your child to have the best start to Primary 1 and we thank you for your support with this.

During transition visits your child will visit the Primary 1 classrooms, meet staff, take part in short activities, begin to build relationships and visit the dinner hall, playground and gym hall.

Your child will be allocated a P5 buddy. Buddies will be trained in our 'How to Speak to Wee Ones' course which provides skills to become a positive role model. P5 buddies will attend transition visits to ECCs and will give your child a poster all about them to allow them to get to know each other. Buddies will continue to support your child weekly during break and lunchtime in the playground throughout P1.

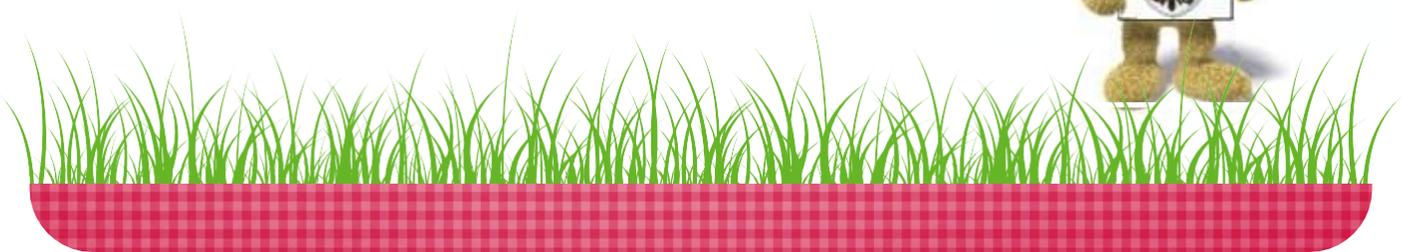

In June, you will be invited to a P1 parents information session. You will also receive a pack detailing more information about the first day of P1 and who your child's teacher will be.

If you have any questions or queries, please contact the details below.

School Office: 01560 482653

Kind Regards

Team P1
