Make a simple hedgehog house
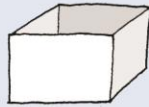

You will need:

- Medium-sized plastic storage box
- Stanley knife
- Leaf litter
- Dry grass or straw
- Carrier bag
- Twigs and dry leaves

① Cut two side air vents and an entrance into the plastic box.

② Put some leaf litter inside the box, with clean, dry grass or straw on top.

③ Tuck the box near a hedge (with the entrance facing south if possible).

④ Put an opened-up carrier bag over the top of the box, then cover with twigs, dry grass and leaves.
