

Design your own bridge

Forth Rail Bridge

The Forth Rail Bridge was designed by Sir John Fowler (1817-98) and Sir Benjamin Baker (1840 – 1907) and constructed by Sir William Arrol.

One of Scotland's most iconic images. [Forth Rail Bridge images](#)

Facts and figures on the Forth Bridge [forth-bridge facts and figures](#)

Can you build a bridge using household and garden items?

What weight can it hold?

What distance can it span?
