

April Home Learning Task

Our home learning task for the month of April is to research and prepare to deliver a 2 minute (or longer) solo talk on the country you got on the spinner in class. In your presentation you could share information about:

- Capital city
- Population
- Food and drink
- Climate
- Landmarks
- Sports
- History
- Fashion
- Pop culture
- Languages

Presentations will be delivered at the end of April, so all notes and images should be ready for then.
