

Primary 1 - Have a go board! - March 2026

In Primary 1, we encourage the children to have a go! Below are activities which your child could have a go, when at home this month.

Literacy

This month we will be focussing on digraphs which are 2 letters making one sound e.g. sh - shop.

1. ch e.g. chips
2. consolidation week
3. ng e.g. long
4. wh e.g. when
5. ph e.g. phonic

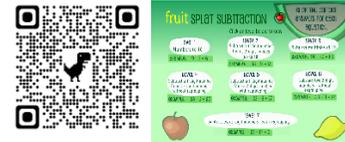

Please encourage your child to have a go at spelling 3 & 4 letter words.
Please see attached digraph game for your child to play.

Harmony

Won't it be nice to make a thank you card for someone who has helped you at home or in the community! Have a go!

Numeracy

This month we will be completing subtraction within 10. See previous months for online subtraction games.

We will also be focussing on time - days of the week & months of the year.

Please see the attached games sheet for o'clock on both analogue and digital clocks.

Bug Club

Please continue to encourage your child to read each day and ensure that your child has completed all 3/4 bugs each week. A new book is allocated each week. Many thanks.

Here are the common words we are learning.

this	that	then	much
them	from	his	they
when	what	one	

Please practice these at home to help your child with their reading.
