

Primary 1 - Have a go board! - April

In Primary 1, we encourage the children to have a go! Below are activities which your child could have a go, when at home this month.

Literacy

This month we will be focussing on digraphs which are 2 letters making one sound e.g. sh - shop.

1. ee e.g. seek

2. oo e.g. look

Please encourage your child to share their favourite book with you and point out ee and oo words in that book.

Please find attached the board game of the digraphs covered.

Numeracy

At home, please continue to practice the days of the week and months of the year with your child. We have also been focussing on yesterday and tomorrow to help with sequencing of the days of the week.

Harmony

Please talk to your child about safe places to cross the road as you walk to and from school or are just out and about together.

Bug Club

Please continue to encourage your child to read each day and ensure that your child has completed all 3/4 bugs each week. A new book is allocated each week. Many thanks.

Here are the common words we are learning.

see	keep	
look	come	some

Please practice these at home to help your child with their reading.
