

Primary 1 - Have a go board! - May

In Primary 1, we encourage the children to have a go! Below are activities which your child could have a go, when at home this month.

Literacy

This month we will be focussing on digraphs which are 2 letters making one sound e.g. sh - shop.

1. CK e.g. rock, sock
2. Consolidation of initial sounds & Capital letters
3. Consolidation of digraphs taught - qu, wh, th, sh, ck, ee, oo, ng
4. Consolidation of common words
5. ai e.g. air, Chair

Please encourage your child to have a go at spelling 3 & 4 letter words.

Numeracy

Money

This month we will be continuing to focus on money. The children will be paying for items within 10p & 20p using 1p, 2p, 5p, 10p & 20p coins.

A great way to encourage your child with this is setting up a shop at home and allowing your child to role play In It with you.

Measure

We will be learning how to measure items in non-standard units. e.g. hand spans, cubes, feet, paper clips etc.

Why not have a go at measuring things together at home or in your garden.

Harmony

We will be looking at the Harmony Principle of Interdependence. Please look out of your window or go a walk and draw a picture of the living things that you see around you as you travel.

Bug Club

Please read with your child every day. We are back on line.

Please enjoy a cosy bedtime story with your child and talk about the sounds, words and pictures as you go. Enjoy!

Here are the common words we are learning.

got	if	came
off	into	like

Please practice these at home to help your child with their reading.
