

# Primary 2 Homework Grid October 2026

|                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                      |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  <p>Literacy</p> <p>Practice reading and spelling the CVC et, eg, en and ed. This month we are focusing on CVC words with the middle e sound. There is also a CVC game included in the pack.</p>                               | <p>Numeracy and Maths</p> <p>We are working on the number before and after a given number. We have enjoyed splatting a number before or after a given number on the Paint the Squares game on Topmarks</p>   | <p>IDL- Look at the changing season to Autumn. What do you notice? Draw an autumn picture. What colours do you use? You could also collect autumn leaves when on a walk.</p>                                                      |
|  <p>Literacy</p> <p>Practice writing your first and second name. This can be on paper, outside with chalk etc. We are focusing on being able to spell our second name.</p>                                                     | <p>Numeracy and Maths</p>  <p>We are working on the number before or after a given number. Use the number before and after ladder. Write numbers within for your child. They can then write the number before and after on their whiteboard.</p>                                              | <p>IDL</p>  <p>Could you name where some foods come from? Have a look when doing the shopping. Where does milk come from? Are all foods in the shop grown in Scotland? What foods do you like that come from another country?</p> |
| <p>Literacy</p>  <p>Practice reading and spelling the common words. Please use the whiteboard provided to practice spelling the words. Please keep the whiteboard and pen safe as we will have similar tasks each month.</p> | <p>Numeracy and Maths</p>  <p>Practice formation of numbers using the formation strip. We have noticed some of us are reversing some of our numbers so we are having a little more practice.</p>                                                                                            | <p>Parents' Evening will be on Thursday 8<sup>th</sup> of October. Please see the school app for further information about how to make an appointment.</p> <p>Thank you.</p>                                                                                                                                         |

# Primary 2 Homework Grid October 2026

## Literacy

Practice reading and spelling the CCVC and CVCC sh and ch words. Please complete the task in the pack and also use it to practice reading and spelling the words. You could also practice writing them on your whiteboard or writing a sentence using your new words.

## Numeracy and Maths

We are working on the number before and after a given number. We have enjoyed splatting a number before or after a given number on the Paint the Squares game on Topmarks

IDL- Look at the changing season to Autumn. What do you notice? Draw an autumn picture. What colours do you use? You could also collect autumn leaves when on a walk.

Name :

## Literacy

Practice writing your first and second name. This can be on paper, outside with chalk etc. We are focusing on being able to spell our second name.

## Numeracy and Maths

We are working on the number before or after a given number. Use the number before and after ladder. Write numbers within for your child. They can then write the number before and after on their whiteboard.

## IDL

Could you name where some foods come from? Have a look when doing the shopping. Where does milk come from? Are all foods in the shop grown in Scotland? What foods do you like that come from another country?

## Literacy

Practice reading and spelling the common words. Please use the whiteboard provided to practice spelling the words. Please keep the whiteboard and pen safe as we will have similar tasks each month.

## Numeracy and Maths

Practice formation of numbers using the formation strip. We have noticed some of us are reversing some of our numbers so we are having a little more practice.

Parents' Evening will be on Thursday 8<sup>th</sup> of October. Please see the school app for further information about how to make an appointment. Thank you.

# Primary 1 Homework Grid October 2026

|                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                         |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  <p><b>Literacy</b></p> <p>The phonemes we are working on this month are r, m, d, e, c and k. Have a go at practicing them at home and playing eye spy for the sounds covered. We also have a sheet to practice using our sounds to read in our homework pack.</p> | <p><b>Numeracy and Maths</b></p> <p>We are working on the number before and after a given number. We have enjoyed splatting a number before or after a given number on the Paint the Squares game on Topmarks</p>      | <p><b>IDL</b> - Look at the changing season to Autumn. What do you notice? Draw an autumn picture. What colours do you use? You could also collect autumn leaves when on a walk. Can you create an autumn picture with what you have collected.</p>  |
|  <p><b>Literacy</b></p> <p>Practice writing your first and second name. This can be on paper, outside with chalk etc. We are focusing on being able to spell our second name.</p>                                                                                  | <p><b>Numeracy and Maths</b></p>  <p>We are working on the number before or after a given number. Use the number before and after ladder. Write numbers within for your child. They can then write the number before and after on their whiteboard. Use the number line provided to reinforce this.</p> | <p><b>IDL</b></p>  <p>Could you name where some foods come from? Have a look when doing the shopping. Where does milk come from? Are all foods in the shop grown in Scotland? What foods do you like that come from another country?</p>             |
|  <p><b>Literacy</b></p> <p>Practice reading and spelling the common words. Please use the whiteboard provided to practice spelling the words. Please keep the whiteboard and pen safe as we will have similar tasks each month.</p>                              | <p><b>Numeracy and Maths</b></p>  <p>Practice formation of numbers using the formation strip.</p> <p>Numicon which was provided last month could also be a fun way to reinforce this learning e.g. Can you find the number that comes before 8 or after 4?</p>                                        | <p><b>Parents' Evening will be on Thursday 8<sup>th</sup> of October.</b></p> <p><b>Please see the school app for further information about how to make an appointment.</b></p> <p><b>Thank you.</b></p>                                                                                                                                |
