

Good morning! – It's 10th March

Leo's word of the day:

demonstrate

To show or make something clear.

The saleswoman **demonstrated** a selection of the company's products at the exhibition

(Could you alter the suffix?)

Today in history:

In 1977, astronomers discovered the rings of the planet Venus.

Country of the day

 **El Salvador**

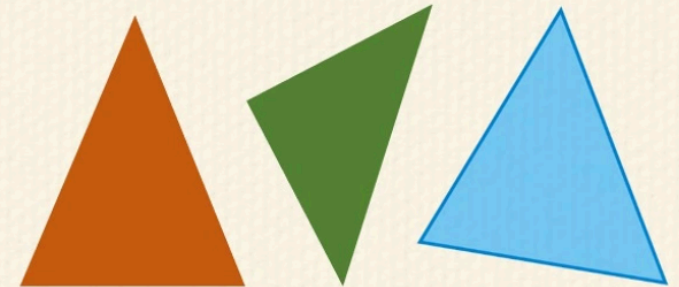

Capital city: San Salvador
Continent: North America

? Which countries border El Salvador?

Today's challenges

Draw an isosceles triangle inside a right angled triangle. Enclose both within a scalene triangle.

Use the word of the day in a sentence.

Do something kind for someone!

Can you spot any mistakes?

Quick Maths

$$\frac{8}{9} + \frac{6}{9}$$

$$\frac{3}{4} - \frac{1}{2}$$

$$2^3 + 4^3$$
