Whether you love doughnuts or fast food, today is your day to gratify without feeling guilty. The saying, "Everything in moderation" applies to this holiday quite aptly. Some of us have that one irresistible food that we avoid at all costs because we know if it's in the house we'll eat it all. It's our weakness, our kryptonite. What's your kryptonite? Will you be celebrating with a bite of your favourite dessert or snackfood?</p> <p>Complete the activity - <u>FAVOURITE FOODS ALPHABET</u></p>
