Being smarter with numbers isn't a special talent, it's something we can all learn!</p> <p>Mathematics can be found in all aspects of our daily lives. We use it at school, at work, and in practical activities at home and in wider society. Whether we're paying for a bus ticket, working out our tax, planning a holiday or thinking of taking out a mortgage, maths will always be involved.</p> <p>Everyone can get involved in Numeracy Day. Whether you're a school, workplace, family or individual, no one is left out. There are a number of things that you can do to celebrate Numeracy Day, including taking the National Numeracy Challenge <a href="http://numeracyday.com">numeracyday.com</a>, trying your hand at some numerical puzzles or quizzes and enrolling yourself on a free numeracy course.</p>	<b>National Numeracy Day</b>
