

Good morning! – It's 8th March

Leo's word of the day:

submerge

To descend below the surface area of a liquid.

I woke up, **submerged** my hands in hot runnin water,
and scrubbed my dirty fingernails.

(Could you alter the suffix?)

Today in history:

In 1979, CDs (compact disks) are demonstrated publicly for the first time.

Country of the day

 **New Zealand**

Capital city: Wellington

Continent: Oceania

? Can you name two other islands in Oceania?

Today's challenges

A man buys an orse for £60 and then sells it for £70. He then buys it back for £80 and re-sells it for £90.

How much did the man mayke or lose in total?

Use the word of the day in a sentence.

Do something kind for someone!

Can you spot any mistakes?

Quick Maths

$$\frac{5}{8} + \frac{3}{4}$$

$$\frac{7}{8} - \frac{5}{8}$$

$$5^2 + 8^2$$
