

Good morning! – It's 14th March

Leo's word of the day:

**matted**

Tangled into a thick mass.

The dogs' owner had taken such poor care of it that its hair was thoroughly **matted** and dirty.

(Could you alter the suffix?)

Today in history:

In 2018, a report on world happiness names Finland as the world's happiest country and Burundi as the unhappiest.

Country of the day

Malta

Capital city: Valletta

Continent: Europe

Which sea / ocean surrounds the island of Malta?

Today's challenges

How many seconds are there in the month of March? Show your workings!

Use the word of the day in a sentence.

Do something kind for someone!

Can you spot any mistakes?

Quick Maths

$$\frac{9}{3} + \frac{6}{3}$$

$$\frac{6}{8} - \frac{2}{8}$$

$$5^2 + 9^3$$
