

Good morning! – It's 15th March

Leo's word of the day:

saturated

Holding as much moisture or liquid as can be absorbed.

After a week's heavy rainfall, the field was **saturated** and the children were told to keep off the grass.

(Could you alter the suffix?)

Today in history:

In 44BC, Julius Caesar, Dictator of the Roman Empire, is stabbed to death by a group of conspirators.

Country of the day

 **Azerbaijan**

Capital city: Baku

Continent: Europe/Asia

? Which countries border Azerbaijan?

Today's challenges

Answer the questions then convert your answers to a password using this method – A=1, B=2, C=3 etc.
