

Literacy and English

I will take part in various group discussions and respond in ways appropriate to my role, to show that I value others' contributions and use these to build on thinking.

In Literacy, I am recapping and expanding my knowledge of grammar, punctuation and writing techniques.

I am reading the novel "The Lion, The Witch and The Wardrobe" to develop my reading comprehension strategies. I will further develop these skills through class tasks.

In writing, I am learning to recognise the main features of recount.

Numeracy and Mathematics

Whole Number will be our Numeracy topic this term – focusing on addition, subtraction, multiplication and division functions. We will continue to expand our knowledge of the four operations to solve questions using a variety of approaches. Practise your times tables as much as possible to make the learning easier

In our maths, I will explore angle, symmetry and transformation. I will learn to describe and follow routes. I will also explore compass points and grid references.

Health and Wellbeing

I am learning to be nurturing and respectful towards others. I will explore my social and emotional wellbeing.

In P.E, I am developing my responses to stay focused on task through the context of hockey. I will develop my movement skills and strategies to generate solutions whilst working in a team demonstrating sportsmanship.

You can support me by helping me maintain positive Mind set and encouraging me to give everything a go!

Other Curricular Areas

I am working on a design and animation challenge, through the context of our class novel. I will use design and collage techniques to make a vision board for my ideas. I will then create an animation on Scratch.

To celebrate Logan Primary School being open for 60 years, I will use primary and secondary sources to find out about the past. I will compare and contrast life from the past to my life now.

In expressive arts, I will participate in weekly string tuition from a visiting specialist.
