#### **Persuasive Leaflet**

- Write a leaflet to persuade boat owners to help protect seahorses.
- On a piece of A4 paper, complete a final draft of your leaflet.

Your leaflet must have:

- A front cover which contains a title and picture
- Three different sections entitled:
  - What is the problem?
  - How can you help?
  - What difference will this make?
- Persuasive language to convince people that this is important- remember the persuasive words and phrases we spoke about in our writing last week (I've attached the persuasive word bank to help)
