Wednesday 3rd February 2021

HWB (30mins) Children's Mental Health Week:

Draw Your Feelings Art Activity

- Watch the following video which explains the task:
<https://watchkin.com/cb55572618>
- Create an image which represents your own feelings- make sure you put notes around your image to explain what each part represents, like it has in the video.

HWB Grid

Click on the following link to access different health and wellbeing resources for mental health week:

https://www.thinglink.com/card/1316005438709301250?fbclid=IwAR098dUus9-KqHzNnsziszF_RS0bNDI7RkVHSoxE0oYYy1Lv5XA9IR95_Go

You will find activities on mindfulness, colouring sheets, music, movement and puzzles.

Other Activities (1 hour)

IDL Focus- Scotland/Scottish People

- Choose a different invention from yesterday and create a poster or PowerPoint giving information about that invention.
- You must include information on the following:
 - Who invented it?
 - What year was it invented?
 - How has the invention been developed over time? Show examples if possible. For example:

- What was life like for people before this invention?
- How did this invention change the lives of people for the better?
- Other interesting facts about the invention.
- Include images/drawings of the invention.
