 - Joe Wicks workout/HIIT Training
 - Go for a walk outside
- Choose an activity or two from the 'Feel Good Friday' grid

Friday 5th February 2021

IDL (30mins-1hour)

- This week we have been discussing Scottish inventions.
- Create your own invention. It must be something useful that you think will make yours or someone else's life easier.
- Include a detailed drawing of your invention and label all the features.
- Write a short paragraph explaining what your invention is, what it does, how it works and how it will change/improve your life.

Expressive Arts

- All week we have been discussing children's mental health week and the theme of "Expressing Yourself"
- I would like you to do something to "express yourself" through art, music, dance or sport. It could be creating a drawing or painting of your choice, singing, dancing to your favourite song, playing an instrument, playing your favourite sport. It's up to you!
- I want to create a video of some of the things we've been doing for Mental Health Week, so please email me photos of your drawings/paintings, photos of you doing your favourite activity or a short video clip of you singing/dancing/playing an instrument.
- Also, in your email write a short sentence to describe what you do to express yourself and how it makes you feel.
- I'm looking forward to seeing your photos and celebrating all the amazing talents which make you so great 😊.
