Monday 22nd February 2021

HWB (1 hour)

Task 1

- Remember exercise is a great way to improve mental health, so please try to do at least 30 minutes of physical activity/PE
- Here are some suggestions of activities:
 - Just Dance (YouTube)
 - Kids Yoga
 - Joe Wicks workout/HIIT Training
 - Go for a walk outside.

Task 2 (My Healthy Eating Food Journal)

- Keep a record of your daily meals by writing what you had for breakfast, lunch, dinner, snacks and drinks each day this week.

Task 3 (Think Before You Drink Experiment)

- Choose 4 different drinks you have at home.
- Look on the bottles to find the sugar content per 100ml.
- Record the name of the drink and the sugar content of each drink.
- Compare the sugar content of each and order the drinks from least sugary to most sugary.
- Write a short paragraph about your findings.

For example:

I discovered that Coca Cola had a sugar content of _____, orange juice had a sugar content of _____, diluted juice had _____ sugar and a fruit shoot had _____ sugar. The drink with the most sugar was _____. The drink with the least sugar was _____. I was/wasn't surprised by these results because _____.
