

When Will the Sun Go Out?

Session 4 (End of Book Tasks)

Task 1

Create an information poster about one of the following areas from the text:

- The Solar System (p2-3)
- The Sun (p4-5)
- The Moon (p12-15)
- The Rocky Planets (p18-19)
- The Gas Giants (p20-21)

Make sure you have lots of facts and colour in your poster!

Task 2

- Complete the book review sheet about "When Will the Sun Go Out?"

Task 3

- Reread the information about the Moon on pages 14-15. Imagine you are an astronaut who is visiting Mars. Write a short story which describes what you can see and hear while on Mars.
