

Room for improvement

Greenwatch Campaign Greenwatch Campaign Greenwatch Campaign Greenwatch Campaign Greenwatch Campaign Greenwatch Campaign

Each child at Topperton School was asked to vote for the one classroom improvement they most wanted. This graph shows the results.

Classroom improvements

- How many children want
 - new desks
 - new curtains
 - more computers?
- How many more children want the rooms painted than want
 - more books
 - the rooms carpeted
 - new curtains?
- How many children voted in the survey?
 - Do more than one quarter of the children want the rooms painted? Explain.

Choice of colours	Number of children
white and blue	44
lime and white	34
beige and brown	26
yellow and cream	52
cream and blue	64
pink and yellow	28

This table shows the children's choices of colours for their classroom.

- How many children want **one** of the colours to be
 - white
 - yellow
 - blue?
 - Draw a bar graph like the one above using the information in the table.
