

P2/3 Phonics revision of sh, ch, th, ng, wh, ph, oo, ee

We have been learning that phonemes are sounds made up of 2 or more sounds.

We have been learning to read and write these phonemes and have been using them in words and sentences.

You can help at home by looking at the phonemes with us, helping us to write them and making new words with them.

For each sound, try and add new words to the list.

sh ship rush	ch chop much	th thin with	ng sing strong
wh wheel when	ph phone elephant	oo spoon moon	ee need sweet
